

## Effingham Jr. High Volleyball 2020-2021

Any 6<sup>th</sup> grader interested in participating in volleyball **needs to have all paper work in by November 13th**. Players must turn-in, a Covid waiver, proof of insurance, have a current physical on file (all 6<sup>th</sup> graders already have one on file), and return the activity code, Concussion PES for, and an activity fee of \$30.00 to the office. See the attached packet. You will not be able to participate if you do not have the required paperwork turned in to the office.
