Students cannot stay after school. Students must have a mask and a water bottle. Students will have their temperatures checked as they arrive to practice each day.

## 7<sup>th</sup> grade Volleyball EJHS 2020-2021

Any 7<sup>th</sup> grader interested in participating in volleyball contact days **needs to have all paper work in by November 9th**. Players must turn in, a Covid waiver, proof of insurance, have a current physical on file (all 7<sup>th</sup> graders need a new physical the one from 6<sup>th</sup> grade will not work), and return the activity code and Concussion PES form to the office. Packets are in the office. If you have tried out for a sport this year and have already turned this packet in you do not need to do it again. You will not be able to participate if you do not have the required paperwork turned in to the office.

Volleyball contact days are new this year because of Covid and the season being pushed back. IESA is allowing 15 contact days that coaches can have practice in before the season/tryout actually begins.

### About tryouts-

7<sup>th</sup> grade will have tryouts on Jan. 11<sup>th</sup> in the big gym from 3:00-5:00 and January 12<sup>th</sup> from 4:30-6:00. Everyone that makes the team will need to pay a \$30.00 activity fee before they practice. Team shoes will be ordered at an approximate cost of \$50.00.

Volleyball is a significant time commitment. If you make the team you will be expected to attend all practices and maintain your grades. We will have practice or games 5 days a week most of the time
